

SIMPLE CHANGES CAN MAKE **BIG DIFFERENCES.**

Ethanol is one of the best tools we have to reduce air pollution from vehicles. For over 10 million racing miles, Sunoco Green E15 made with 15% American Ethanol has lowered NASCAR's greenhouse gas emissions by 43%.

American drivers have lowered their impact on the environment by driving over 500 million miles on homegrown, renewable and cost saving E15.

Whichever way you turn, you can do what's right for the environment, the economy and your pocketbook, choose **AMERICAN ETHANOL.**

Now available more than ever, visit getethanol.com to find an E15 station near you.
