

# ARE YOU HITTING THE ROAD THIS HOLIDAY SEASON? YOU'RE NOT ALONE!

Thanksgiving is one of the busiest travel times of the year. **48.5 million\*** drivers are expected to hit the road. When you stop to fill up, look for **E15** at the pump.

- **E15** is between **3** and **10** cents less expensive than regular gas.
- The EPA approved the use of **E15** in all cars built since **2001** – nearly **90%** of those on the road today.
- **Corn ethanol** burns cleaner and reduces greenhouse gas emissions by **40-45%**.
- The number of **E15** locations continues to grow and is available in **30** states.

\*Travel figure from the 2018 AAA Thanksgiving travel report.
